PNC Receives No Objection To Its Capital Plan

June 27, 2019

PITTSBURGH, June 27, 2019 /PRNewswire/ -- The PNC Financial Services Group, Inc. (NYSE: PNC) announced today that the Board of Governors of the Federal Reserve System accepted its capital plan and did not object to its proposed capital actions. The capital plan included a recommendation to increase the quarterly cash dividend on common stock by 20 cents per share, or 21%, to $1.15 per share, in the third quarter of 2019. PNC's board of directors is expected to consider this recommendation at its next scheduled meeting on July 9, 2019.

The capital plan also included share repurchase programs of up to $4.3 billion for the four-quarter period beginning in the third quarter of 2019.

PNC submitted its capital plan, approved by its board of directors, to the Federal Reserve in April 2019 as part of the Federal Reserve's Comprehensive Capital Analysis and Review. PNC's common share repurchases may be executed in privately negotiated transactions or through the open market, including under Rule 10b5-1 plans. The timing and amount of executed repurchases will be based on market conditions and other factors. Common share repurchases under the capital plan will be made under a new 100 million share repurchase program approved by PNC's board of directors in April 2019.
