**Explanation of Responses:**

1. Deferred stock unit ("DSU") granted pursuant to the PNC Directors Deferred Stock Unit Program (the "Program") under PNC’s 2016 Incentive Award Plan. Each DSU represents the right to receive at retirement one share of PNC common stock. A DSU may be settled in cash or in other securities if, in the discretion of the administrator, the fair market value of the DSU is insufficient to settle the underlying share of PNC common stock in accordance with the terms of the Program.

2. Includes an aggregate of 89 DSUs acquired by the reporting person as dividend equivalents under the Program subsequent to the date of the reporting person’s most recent filing on Form 4 reporting applicable Table I information.

3. One phantom stock unit is the economic equivalent of one share of PNC common stock. Phantom stock units will generally settle in cash upon distribution to the reporting person if the amount of phantom stock units is insufficient to settle the underlying share of PNC common stock in accordance with the terms of the Program.

4. Includes an aggregate of 633 phantom stock units acquired by the reporting person as dividend equivalents under the Program subsequent to the date of the reporting person’s most recent filing on Form 4 reporting applicable Table II information.

5. Listed below are the restricted stock units held by each reporting person that are currently restricted and have an aggregate value of $100,000 or more: 0.5 shares of common stock.

6. The reporting person is subject to restrictions pursuant to the terms of the Program.

7. The reporting person holds an aggregate of 10% of PNC common stock as of this date.

8. The vesting date of the restricted stock unit was 04/28/2020.

9. The limited circumstances where the restricted stock unit may be exercised include retirement, death, disability, and a change of control of PNC. The restricted stock unit vests at the rate of one share of common stock per DSU at each 12-month anniversary of the vesting commencement date or the earliest date following retirement or death, disability, or a change of control of PNC at which time the reporting person is no longer employed by PNC.

10. The reporting person has the right to receive dividends on the restricted stock unit, which are accrued and will be paid in cash at the same time the underlying restricted stock unit vests.

11. The restricted stock unit will vest in the event of a change of control of PNC.

**Remarks:**

Reminder: Report on a separate line for each class of securities beneficially owned directly or indirectly.

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).
