Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The legal opinion regarding the validity of the securities to be issued is rendered by Alicia G. Powell, Corporate Secretary and Managing Chief Counsel of PNC. Ms. Powell beneficially owns or has the rights to acquire an aggregate of less than 1% of PNC's common stock. In addition, Ms. Powell is eligible to be a participant, and is a participant, under the ESPP.

Item 6. Indemnification of Directors and Officers.

PNC is incorporated under the laws of the Commonwealth of Pennsylvania. Sections 1741 and 1742 of the Pennsylvania Business Corporation Law, as amended (the "PBCL"), provide that a Pennsylvania corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), by reason of the fact that the person is or was a representative of the corporation, or is or was serving at the request of the corporation as a representative of another enterprise, against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with the action or proceeding, provided that certain standards are met, including that the person acted in good faith and with the reasonable belief that the particular action was in, or not opposed to, the best interests of the corporation and, with respect to any criminal proceeding, had no reasonable cause to believe the person's conduct was unlawful. In the case of an action brought by or in the right of the corporation, indemnification of any person who was or is a party or is threatened to be made a party to the action by reason of the fact that the person is or was a representative of the corporation, or is or was serving at the request of the corporation as a representative of another enterprise, against expenses (including attorney's fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action is permitted if such person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation. No indemnification is permitted under this provision, however, in respect of any claim, issue or matter as to which such person has been adjudged to be liable to the corporation, unless and only to the extent that it is judicially determined that, despite the adjudication of liability but in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnification for the expenses that the court of common pleas or other court deems proper.

Section 1743 of the PBCL provides, in general, that a corporation must indemnify any representative of a business corporation who has been successful on the merits, or otherwise, in defense of any action or proceeding referred to in Section 1741 or Section 1742 or in defense of any claim, issue, or matter therein, against expenses (including attorneys' fees) actually and reasonably incurred therein. Under Section 1745 of the PBCL, a corporation may pay the expenses of a director or officer incurred in defending an action or proceeding in advance of the final disposition thereof upon receipt of an undertaking from such person to repay the amounts advanced, if it is ultimately determined that such person is not entitled to indemnification from the corporation.

Section 1746 of the PBCL provides that the foregoing provisions shall not be deemed exclusive of any other rights to which a person seeking indemnification may be entitled under, among other things, any by-law provision, provided that no indemnification may be made in any case where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness.

PNC's By-Laws, as amended and restated (the "By-Laws") provide for the mandatory indemnification of directors and officers in accordance with and to the full extent permitted by the laws of the Commonwealth of Pennsylvania as in effect at the time of such indemnification. Our By-Laws also eliminate, to the maximum extent permitted by the laws of the Commonwealth of Pennsylvania, the personal liability of directors for monetary damages for any action taken, or any failure to take any action as a director, except in any case such elimination is not permitted by law.

Section 1747 of the PBCL provides, in general, that a corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a representative of the corporation or is or was serving at the request of the corporation as a representative of another entity against any liability asserted against the person in any capacity, or arising out of the person's status as such, regardless of whether the corporation would have the power to indemnify such person against that liability under the provisions of the PBCL.

PNC has purchased directors' and officers' liability insurance covering certain liabilities that may be incurred by its directors and officers in connection with the performance of their duties.

The foregoing is only a general summary of certain aspects of Pennsylvania law and the By-Laws relating to indemnification of directors and officers, and does not purport to be complete. It is qualified in its entirety by reference to the detailed provisions of Sections 1741, 1742, 1743, 1745, 1746 and 1747 of the PBCL and the By-Laws .

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

For the list of exhibits, see the Exhibit Index to this Registration Statement, which is incorporated herein by reference.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that Paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act), each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The Board or the Compensation Committee may, in its sole discretion, delegate authority hereunder, including but not limited to delegating authority to amend, administer, interpret, construe or vary the Plan, to the extent permitted by applicable law or administrative or regulatory rule.

1.4. Effective Date of Plan. The effective date of the Plan, as amended and restated, is January 1, 2020.

1.5. Extension or Termination of Plan. Upon any such termination, the balance, if any, in each Participant's Account will be refunded to the Participant, or otherwise disposed of in accordance with policies and procedures prescribed by the Plan Committee in cases where such a refund may not be possible.

ARTICLE II. PARTICIPATION

2.1 Eligibility. Effective beginning with the Option Period commencing on January 1, 2020, each full-time Employee or rehired Employee, including those serving on the Plan Committee or serving as Plan Manager, who on an Offering Date will have at least six (6) months of Continuous Service, and each part-time Employee (excluding peak-time employees who were not otherwise previously participating in the Plan, or the Plan prior to January 1, 2020, as full or part-time employees) or rehired Employee who on an Offering Date will have at least twelve (12) months of Continuous Service, may become a Participant by filing a notice with the Plan Manager prior to such Offering Date. Participants who participated in the Plan prior to January 1, 2020 will continue to participate in this Plan pursuant to the same elections made under the Plan prior to January 1, 2020 until they make elections in accordance with Section 2.2, discontinue contributions, or otherwise terminate participation in accordance with Article V. No Employee may participate in the Plan if said Employee either (i) as of an Offering Date and before taking into account any shares of common stock that may be purchased during such Option Period, would be deemed for purposes of Section 423(b)(3) of the Code to possess 5% or more of the total combined voting power or value of all classes of stock of the Corporation or any Subsidiary or (ii) is not an employee on the date an option is granted hereunder in accordance with Section 423 of the Code and the Treasury Regulations promulgated thereunder.

2.2 Payroll Deductions.

(a) Payment for shares of Common Stock purchased hereunder will be made by authorized payroll deductions from each payment of Compensation in accordance with instructions received from a Participant. Said deductions will be expressed as a whole number percentage that is at least 1% but not more than 10%. A Participant may not increase or decrease the percentage deduction during an Option Period. However, a Participant may change the percentage deduction for any subsequent Option Period by filing notice thereof with the Plan Manager prior to the Offering Date on which such Option Period commences. Amounts deducted from a Participant's Compensation pursuant to Section 2.2 will be credited to the Participant's Account.

(b) During an Option Period, a Participant may discontinue payroll deductions and the payroll deductions previously made during that Option Period (unless otherwise withdrawn in accordance with Section 5.1) shall remain in the Participant's Account to purchase whole shares of Common Stock on the next succeeding Exercise Date, provided that the Participant is an Employee as of that Exercise Date (or otherwise remains eligible as of that Exercise Date in accordance with Section 5.2), and any cash balance remaining in such Participant's Account after such purchase will be refunded to the Participant without interest unless such Employee again becomes a Participant in the succeeding Option Period by filing a notice in accordance with Section 2.1 before such refund occurs.

(c) Payroll deductions may be automatically suspended if, during a Plan Year, a Participant becomes ineligible under the Plan pursuant to Sections 5.1 through 5.3 or has reached any applicable limit imposed by law. For Participants that have been suspended due to reaching any applicable limits imposed by law, payroll deductions will recommence at the same percentage at the beginning of the next Plan Year if the Participant continues to be eligible to participate and has not elected to discontinue deductions.

(d) Any cash balance remaining in the Participant's Account after the purchase of Common Stock on an applicable Exercise Date that is not refunded to the Participant in accordance with subsection (b) or (c) above will be carried over to the next Option Period. Any Participant who discontinues payroll deductions during an Option Period may again become a Participant for a subsequent Option Period by filing a notice in accordance with Section 2.1.

ARTICLE III. PURCHASE OF SHARES

3.1 Option Price. Effective beginning with the Option Period commencing on January 1, 2020, the Option Price per share of the Common Stock sold to Participants under the Plan will be 95% of the Fair Market Value of such share on the Exercise Date of the Option Period; provided, however, in no event will the Option Price per share be less than the par value of the Common Stock.

3.2 Purchase of Shares. On each Exercise Date, the amount in a Participant's Account will be charged with the aggregate Option Price of the largest number of whole shares of Common Stock which can be purchased with said amount. Shares of Common Stock purchased by a Participant on any Exercise Date will be issued in the manner most recently elected by the Participant and on file with the Plan Manager.

3.3 Limitations on Purchase.

(a) If any person entitled to purchase shares of Common Stock pursuant to any offering under the Plan would be deemed for purposes of Section 423(b)(3) of the Code to own stock (including any number of shares of Common Stock that such person would be entitled to purchase under the Plan) possessing 5% or more of the total combined voting power or value of all classes of stock of the Corporation or any Subsidiary, the maximum number of shares of Common Stock that such person shall be entitled to purchase pursuant to the Plan shall be reduced to that number which, when added to the number of shares of stock that such person is deemed to own (excluding any number of shares of Common Stock that such person would be entitled to purchase under the Plan), is one less than such 5%. Any amounts withheld from a Participant's Compensation that cannot be applied to the purchase of Common Stock by reason of the foregoing limitation shall be refunded to the Participant without interest.

(b) A Participant may not purchase shares of Common Stock having an aggregate Fair Market Value of more than \$25,000, determined as of the Exercise Date in accordance with Section 423(b)(8) of the Code, for any calendar year in which one or more offerings under the Plan are outstanding at any time.

(c) Notwithstanding anything in this Article III or the Plan to the contrary, no Participant's purchase of Common Stock under the Plan will exceed the limitations imposed by Section 423(b)(8) of the Code.

3.4 Transferability of Rights. Only Participants can exercise rights to purchase shares hereunder. Such rights are not transferable.

ARTICLE IV. PROVISIONS RELATING TO COMMON STOCK

4.1 Common Stock Reserved. As of January 1, 2020, there are 4,000,000 shares of Common Stock authorized and reserved for use in accordance with the Plan, subject to adjustment in accordance with Section 4.2. The shares of common stock to be delivered under the Plan may be either shares of the Corporation's authorized but unissued stock, or shares of reacquired stock, as the Board shall determine.

4.2 Adjustment for Changes in Common Stock. Upon the occurrence of a corporate transaction or transactions (including, without limitation, stock dividends, stock splits, spin-offs, split-offs, recapitalizations, mergers, consolidations or reorganizations of or by the Corporation (each, a "Corporate Transaction")), the Plan Committee shall make those adjustments, if any, in (i) the number, class or kind of shares or other securities that may be reserved for purchase, or purchased, hereunder, and (ii) the Option Price that it deems appropriate in its discretion to reflect the Corporate Transaction(s) such that the rights of Participants are neither enlarged nor diminished as a result of such Corporate Transaction or Transactions. All determinations hereunder shall be made by the Plan Committee in its sole discretion and shall be final, binding and conclusive for all purposes on all parties, including without limitation the Participants. The Corporation shall determine the manner in which any fractional shares will be treated.

4.3 Insufficient Shares. If the aggregate funds available for the purchase of Common Stock on any Exercise Date would cause an issuance of shares in excess of the number

Exhibit 4.4

provided for in Section 4.1, then (i) the Plan Committee will proportionately reduce the number of shares which would otherwise be purchased by each Participant in order to eliminate such excess, (ii) any amounts remaining in a Participant's Account immediately after such Exercise Date shall be refunded to such Participant without interest; and (iii) the Plan will automatically terminate immediately after such Exercise Date.

4.4 Confirmation. Each purchase of Common Stock hereunder will be confirmed in writing to the Participant. A record of purchases will be maintained by appropriate entries on the books of the Corporation.

4.5 Rights as Shareholders. The shares of Common Stock purchased by a Participant on an Exercise Date will, for all purposes, be deemed to have been issued and sold at the close of business on such Exercise Date. Prior to that time, none of the rights or privileges of a shareholder of the Corporation will exist with respect to such shares.

ARTICLE V. TERMINATION OF PARTICIPATION

5.1 Voluntary Withdrawal. No voluntary withdrawals will be permitted from the Plan.

5.2 Ceasing to be an Employee of a Designated Subsidiary. A Participant who ceases to be eligible under Section 2.1 during an Option Period because the Participant's employer, while remaining a Subsidiary, ceases to be a Designated Subsidiary shall have any cash balance remaining in the Participant's Account applied toward the purchase of whole shares of Common Stock on the next succeeding Exercise Date and any cash balance remaining in the Participant's Plan Account after such purchase will be refunded to the Participant without interest.

5.3 Death During an Option Period. If a Participant ceases to be eligible under Section 2.1 during an Option Period because of the Participant's death while employed by the Corporation or a Designated Subsidiary or a Subsidiary (as described in Section 5.2), the cash balance remaining in the Participant's Plan Account will be distributed without interest to the Participant's designated beneficiary or, in the absence of an effective beneficiary designation, to the Participant's personal representative or, if no personal representative has qualified, to the persons entitled thereto under the laws of descent and distribution. During the Participant's lifetime, a Participant may file a beneficiary designation with the Corporation in such manner and form as the Corporation may from time to time direct.

5.4 Other Termination of Eligibility. If a Participant ceases to be eligible under Section 2.1 during an Option Period because the Participant's employment with the Corporation or a Designated Subsidiary has ended for any reason, the cash balance remaining in the Participant's Plan Account will be refunded or distributed without interest to the Participant; provided, however, that this Section 5.4 shall not apply under circumstances set forth in Section 5.2 or 5.3.

5.5 Refund or Distribution Upon Termination of Participation. Notwithstanding anything in this Article V or Section 2.2 to the contrary, in cases where a refund or distribution in accordance with the provisions of Article V or Section 2.2 may not be possible or practicable, the cash balance remaining in the Participant's Plan Account will be disposed of as determined by the Plan Committee.

ARTICLE VI. GENERAL PROVISIONS

6.1 Notices. Any notice, which a Participant files pursuant to the Plan, shall be made as prescribed by the Plan Committee or the Plan Manager, if any, and will be effective only when such notices are received by the Plan Manager.

6.2 Condition of Employment. Neither the creation of the Plan nor participation therein will be deemed to create any right of continued employment or in any way affect the right of the Corporation or a Designated Subsidiary to terminate an Employee's employment.

6.3 Amendment of the Plan. The Board of Directors or the Board's Personnel and Compensation Committee may at any time, or from time to time, amend the Plan in any respect, except that, without approval of the shareholders, no amendment may increase the aggregate number of shares reserved under the Plan other than as provided in Section 4.2, materially increase the benefits accruing to Participants, or materially modify the requirements as to eligibility for participation in the Plan. Any amendment of the Plan must be made in accordance with applicable provisions of the Code and/or any regulations issued thereunder, with any other applicable law or regulations, and with any applicable requirements of the principal exchange upon which the Common Stock is listed.

6.4 Application of Funds. All funds received by the Corporation by reason of purchases of Common Stock hereunder may be used for any corporate purpose.

6.5 Legal Restrictions. The Corporation will not be obligated to sell shares of Common Stock hereunder if counsel to the Corporation determines that such sale would violate any applicable law or regulation.

6.6 Internal Revenue Code and ERISA Considerations. The Plan is intended to constitute an "employee stock purchase plan" within the meaning of Section 423 of the Code with respect to the purchase of Common Stock under the Plan by each Participant and shall be interpreted in a manner consistent with Sections 423 of the Code and 1.423 of the Treasury Regulations promulgated thereunder. The Plan is not intended and shall not be construed as constituting an "employee benefit plan," within the meaning of Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended.

6.7 Gender. Whenever used herein, use of any gender will be applicable to both genders.

6.8 Governing Law. The Plan and all rights and obligations thereunder will be constructed and enforced in accordance with the laws of the Commonwealth of Pennsylvania, without reference to its conflict of laws provisions, and any applicable provisions of the Code and the related regulations.
